**TOWNSHIP OF McKELLAR
BY-LAW NO. 95-12**

BEING a By-law to regulate the use of land and the character, location and use of *buildings* and *structures* in the Township of McKellar.

The Council of the Corporation of the Township of McKellar, pursuant to Section 34 of The Planning Act, R.S.O., 1990, as amended,

ENACTS AS FOLLOWS:

SECTION 1 - TITLE AND INTERPRETATION

- 1.01 This By-law may be cited as the McKellar Township ("the *Township*") Zoning By-law ("this By-law").
- 1.02 The Maps and Table annexed hereto as Schedules of this By-law are declared to be part of this By-law.
- 1.03 For the purposes of this By-law, the definitions and interpretations set out herein shall govern.
- 1.04 Nothing in this By-law shall be construed to exempt any *person* from complying with the requirements of any other by-law of the *Township* or of any law of the Province of Ontario, or Canada.
- 1.05 The provisions of this By-law are held to be the minimum requirements adopted for the promotion of the public health, safety, convenience or general welfare of the *Township*.
- 1.06 In the event of an inconsistency or conflict between two or more provisions in this By-law, the more restrictive provision shall prevail.
- 1.07 The provisions of this By-law may not apply to *Crown land*. However, this By-law reflects the established planning policies of the *Township* and it is intended that the Crown shall have regard for the provisions of this By-law.
- 1.08 Numerical figures used in this By-law are given in metric units and are intended to provide the sole standard governing the provisions of this By-law. Conversions of these metric units to equivalent imperial units may be deemed acceptable by the *Township* when the conversion is made to at least two decimal places.

1.09 In this By-law, words importing the singular number include, where appropriate, more *persons*, parties or things of the same kind than one, and a word interpreted in the singular number has a corresponding meaning when used in the plural.

1.10 Where any Act or portion of an Act is referred to in this By-law, such reference shall be interpreted to refer to any subsequent renumbering of sections in said Act and/or changes in the date of said Act.

1.11 Nothing in this By-law shall be construed to confer any ownership rights to any land below the controlled high water mark caused by flooding because of natural or man-made dams.

SECTION 2 - DEFINITIONS

In this By-law:

- 2.01 **Accessory Apartment**: means that part of a *building* originally constructed as a *single detached dwelling* which has been altered, renovated or enlarged to accommodate a second self-contained *dwelling unit*.
- 2.02 **Accessory Building**: means a detached *building*, located on the same *lot* as the *main building*, the use of which is incidental or subordinate to that of the *main building*.
- 2.03 **Accessory Use**: means a use of lands or *buildings* which is incidental or subordinate to the principal use of the said lands and *buildings*.
- 2.04 **Agriculture Use**: means any agricultural use or uses, and the *structures* or *buildings* accessory thereto, and it includes field crops, animal husbandry, tree nurseries and any other use customarily carried on in the field of general agriculture, including the sale on the premises, of produce grown or raised on the property.
- 2.05 **Animal Hospital**: includes a veterinary establishment, and any other land, *building* or *structure* where domestic animals, birds, or livestock are treated or boarded for short-term periods, but shall not include a *kenel*.

- 2.70 **Garage, Private:** means an *accessory building* or a portion of the *main building* including a *carport*, which is designed or used for the storage of one or more private *vehicles* and the storage of household equipment incidental to residential occupancy and in which no business, occupation or service is conducted for profit.
- 2.71 **Garage, Public:** means a *building* which is used for the servicing, repair or equipping of *motor vehicles*, or where such *vehicles* are parked or stored for remuneration, hire or sale.
- 2.72 **Gazebo:** an accessory open air *building* not exceeding 4 metres in *height* and a *floor area* less than 15 square metres, in which there are no services.

2.73 **Golf Course:** means a public or private area used for the playing of golf and includes a driving range, but not a miniature course or similar uses.

2.74 **Government Office:** includes any *building, structure* or land where any level of government conducts business.

2.75 **Group Home:** means a *building* or *buildings*, licensed or approved under any provincial statute, in which not more than six (6) *persons* live as a single housekeeping unit under responsible supervision, but does not include a *dwelling unit* occupied for the purpose of providing shelter for *persons* on parole or released from penal institutions, or for *persons* ordered to reside there as a result of conviction of a criminal offence.

2.76 **Guest Cabin:** See *Sleeping Cabin*.

2.77 **Height:** means, when used with reference to a *building*, the vertical distance between the *average grade* at the front of a *building* and, in the case of:

- (a) a flat roof - the highest point of the roof surface or the parapet, whichever is greater;
- (b) a mansard roof - the deck roof line;
- (c) a gable, hip or gambrel roof - the mean distance between the eaves and the ridge; and,
- (d) an "A"-frame construction - one and one half times the mean distance between the eaves and the ridge.

2.78 **Highwater Mark:** means the normal water mark of any water at the time of the original survey of the *Township* unless altered by the construction of a dam or dams belonging to any municipal, provincial or other public authority, in which case the measurement shall be from the highwater mark as controlled by such dam or dams and in the case of Lake Manitowabing and Robinson Lake, the highwater mark shall be defined as 240 metres G.S.C.

2.79 **Home Industry:** means a gainful occupation including an *animal hospital*, electrical, woodworking, window frame,

welding, plumbing, *machine* or auto repair shop, *service shop*, or blacksmith, conducted in whole or in part in an *accessory building* to a *single detached dwelling* house, provided that:

- a) there is no external advertising other than a sign erected in accordance with any by-laws of the *Township* regulating signs;
- b) there is no external storage of goods, materials or equipment;
- c) such *home industry* is not an *obnoxious use*, business or manufacture;
- d) such *home industry* is clearly secondary to the main residential use and does not change the residential character of the *dwelling unit* or *lot*;
- e) not more than two *persons*, other than the owner, are employed therein on a full-time basis; and,
- f) the *lot* shall be not less than 60 metres of frontage and 0.5 hectares of area.

2.80 **Home Occupation:** means a gainful occupation including an office; arts/crafts studio; caterer; barber; hairdresser; beautician; dressmaker; seamstress; tailor; photographer; studio of a teacher of music; the arts or academic subjects; conducted in whole or in part in a *dwelling* or in an *accessory building* to a *single detached dwelling*, provided that:

- (a) there is no external display or advertising other than a sign, a maximum of 1 square metre, erected in accordance with any by-laws of the *Township* regulating sign;
- (b) there is no external storage of goods, materials or equipment associated with the use;
- (c) such *home occupation* is clearly secondary to the main residential character of the *single detached dwelling* and does not change the residential character thereof;

- (d) the *home occupation* use shall not be an *obnoxious use* creating unacceptable levels of noise, vibration, fumes, dust, odour, traffic, heat or glare outside the *single detached dwelling* within which is contained nor should it interfere with other radio or television reception;
- (e) home occupation uses that involve the sale of goods shall provide a minimum of one parking space, in addition to that required by the *single detached dwelling*;
- (f) any processing or manufacturing is limited to the manufacture of small mechanisms, assembly of electronic instruments, packaging of small articles or construction of light objects and similar such activities;
- (g) not more than 45 percent of the *floor area* (which excludes the *basement*) may be used for the home occupation anywhere in the dwelling, "including the *basement*"; and
- (h) the sales area should be limited to one half (50 percent) of the *floor area* used for the home occupation use.
- 2.81 **Hospital:** means an institution as defined by the Public Hospitals Act, being Chapter P40 of the Revised Statutes of Ontario, 1990, as amended from time to time.
- 2.82 **Hotel:** includes a tourist establishment, other than a *boarding house*, catering primarily to the travelling public by supplying overnight sleeping accommodation with or without meals.

- 2.94 **Lot:** means a single, separate parcel of land, which is capable of being conveyed, whether such a parcel is described in a registered deed or is shown in a registered plan of subdivision, including any of its parts which are subject to right-of-way or easement.

- 2.95 **Lot Area:** means the total horizontal area within the *lot lines* of a *lot*. In the case of a *corner lot* having a sight triangle or having *street lines* rounding at the corner with a radius of 6 metres or less, the *lot area* of such *lots* shall be calculated as if the *lot lines* were extended to their *point of intersection*.
- 2.96 **Lot, Corner:** means a *lot* situated at the intersection of and abutting upon two or more roads provided that the angle of intersection of such roads is not more than 135 degrees.
- 2.97 **Lot Coverage:** means the percentage of the *lot area* covered by *buildings* and *structures*, including a *private garage* and *accessory buildings*, but not including *buildings* located over the Crown lake bed or uncovered *structures*.
- 2.98 **Lot Depth:** means the horizontal distance between the *front* and *rear lot lines*. Where the *front* and *rear lot lines* are not parallel, it shall be the length of a straight line joining the mid-points of these lines. Where the *side, front* and *rear lot lines* are not determinable, the *lot depth* shall be the maximum separation between any two points on the boundary of the *lot*.
- 2.99 **Lot Frontage:** means the horizontal distance between the *side lot lines* measured along the *front lot line*, but where the *front lot line* is not a straight line, or where the *side lot lines* are not parallel, the *lot frontage* is to be measured either by a line equal to the minimum *front yard* measured back from and parallel to the chord of the *lot frontage*, or by the chord of the *lot frontage*, whichever is the greater.
- For the purpose of this paragraph, the chord of the *lot frontage* is a straight line joining the two points where the *side lot lines* or the lines, as defined in Section 2.96, extending from the *side lot lines* intersect the *front lot line*.
- Where the *side, and/or front and/or rear lot lines* are not determinable, the *lot frontage* shall be the distance of the maximum separation between any two points on the boundary of the *lot*.
- 2.100 **Lot Line:** means any boundary of a *lot* or the vertical projection thereof.
- 2.101 **Lot Line, Front:** means, in the case of an interior *lot*, the line dividing the *lot* from the road. In the case of a *corner lot*, the shorter *lot line* abutting a road shall be deemed to be the *front lot line* and the longer *lot line* abutting the road shall be deemed to be a *side lot line*. In the case of a *lot* with water frontage on a *navigable* waterway, the *front lot line* shall be the *highwater mark* of such waterway. In the case of a *lot* fronting on a road allowance or Crown Reserve along the shore of a *navigable* waterway, the *front lot line* shall be measured between the points where two straight lines extended from the intersection of the *side lot lines* with the inner limit of that *shoreline* road allowance or Crown Reserve intersect at an angle of 90 degrees with the *highwater mark*. In the case of a *through lot*, the *lot line* where the principal access to the *lot* is provided shall be deemed to be the *front lot line*.
- 2.102 **Lot Line, Rear:** means the *lot line* opposite the *front lot line*.
- 2.103 **Lot Line, Side:** means any *lot lines* other than the *front lot line* and the *rear lot line*.

SPECIAL PROVISIONS	SP	34

and no *person* shall use land or *erect*, alter or use any *building* or *structure* except in accordance with the provisions of this By-law.

3.02 Zone Boundaries

- a) Where the boundary of a zone does not coincide with a road or railway right-of-way, a *lot line*, the boundaries of registered plans, or a natural feature such as a creek, stream or *shoreline*, the location of the boundary line shall be scaled from the consolidated Zoning Maps – Schedules 1, 1A, 2, 3 and 4.
- b) Schedules 1, 1A, 2, 3 and 4, the Zoning Maps have been prepared from geographic information system parcel fabric from the West Parry Sound Geographic Network transferred from zone symbols on the zoning schedules attached to Zoning By-law No. 95-12 that were placed on Ontario Base Mapping.

- c) Where there is a discrepancy between any zone on the attached consolidated zoning schedules attached to this By-law and the original Zoning Schedule 'A' of By-law No. 95-12 as amended by Zoning By-law No. 2009-23, the original zoning schedules as amended shall apply.

3.03 Accessory Uses

- a) Where this By-law provides that land may be used or a *building* or *structure* may be *erected*, altered or used for a purpose, that purpose shall be deemed to include any *accessory building* or *structure* or any use incidental thereto. Subject to the provisions of Section 3.41, an *accessory building, structure* or use may only be established once the *main building, structure* or use has been established.
- b) Except as may be provided elsewhere in this By-law, any *accessory building* or *structure* which is not attached to the *main building* shall be *erected* behind the front line of the *main building* or shall comply with the *front yard* requirements of the zone in which the *main building* is situated whichever is the lesser.
- c) Notwithstanding sub-paragraph (b) above, a *dock*, wharf or *gazebo* may be located in the *front yard, side yard, rear yard* or adjoining lakebed, where a *lot* abuts a *navigable* waterway, provided that the approval of any other governmental authority having jurisdiction has been obtained.
- d) Where an *accessory building* is used for a *home industry* as defined in this By-law, such *buildings* shall be located on the *lot* at a *setback* from any abutting road or *street* 7.5 metres greater than the *front yard* required by this By-law for the *main building* on the *lot*.

- e) The use of any *accessory building* or *structure* other than a *sleeping cabin* for human habitation is not permitted, except where a *dwelling unit* is a permitted *accessory use*. The use of any *accessory building* or *structure* for the keeping of animals, other than domestic pets, is not permitted in any Inland Development or Waterfront Residential Zone unless specifically authorized by the provisions of the zone and except as provided for in a *farm* use under Section 3.09.
- f) Notwithstanding sub-paragraph a), b), c), d) and e) above, no accessory buildings, structures or uses are permitted on a lot where the principal use on the lot is a storage building.

3.04 Application of By-law

This By-law applies to all lands within the *Township*.

Notwithstanding the provisions of Section 3.02, where any zone on the Schedules abuts a *waterway*, such Zone shall be deemed to extend into the *waterway* and to apply to any *water lots*, *Crown lake bed* or any land created by changing lake levels, land fill operations or by any other means, and to extend over all *docks*, *boathouses*, *breakwalls*, *groins*, *seawalls*, *cribs*, *anchorage*s and *floating* or *buoyant structures*, *boats* or *barges* whether or not they are fastened to the *shoreline*, beached or anchored to the *Crown lake bed*.

No *building* or *structure* shall be *erected*, altered or used, and the use of any *building*, *structure* or *lot* shall not be changed in whole or in part except in conformity with the provisions of this By-law.

3.05 Automobile Service Station or Public Garage

Notwithstanding the provisions of this By-law and Schedule 'B' attached hereto, a *pump island* may be located within any *front yard* or exterior side of an *automobile service station* or *public garage*, provided that:

- a) the minimum distance between any portion of the *pump island* and any *lot line* shall be 6 metres; and,
- b) where the *lot* is a *corner lot*, no portion of any *pump island* shall be located closer than 4 metres to the base of a *sight triangle*.

3.06 Boathouses

In addition to Section 3.03(b), a *boathouse* is a permitted *accessory use* which may be located in any *yard* of a *lot* excepting that part of the *front yard* 2 metres back from the high water mark and the front *building line* which abuts a *navigable waterway* provided that:

- a) approval for the occupation of the *Crown lake bed* for the *boathouse* has been obtained from any government authority having jurisdiction;
- b) the *boathouse* is not located closer than 6 metres to the *side lot line*, including the straight line extension of the said *lot line* into the *water*;
- c) the *boathouse* is not used for human habitation and no plumbing fixtures are permitted;
- d) in the case of a *lot* zoned for residential use, the design of any *boathouse* shall be limited to one *storey*; and,
- e) in the case of a *lot* zoned for residential use, no *boathouse* can occupy an area exceeding two percent of the *lot area* or 100 square metres, whichever is the lesser.
- f) in the case of a *lot* zoned for residential use in a *waterfront zone*, a *boathouse* is permitted only if the *lot* has a minimum frontage of 90 metres;
- g) in the case of a *lot* zoned for residential use, the height of *boathouse* may not exceed 5.0 metres measured from the high *water mark*.

- h) in the case of a lot zoned for commercial use, the height of a boathouse may not exceed 6.0 metres measured from the high water mark.

Subparagraphs (a), (b) and (c) are to apply to *boathouses* in commercial zones.

3.07 **Building Repair and Reconstruction**

- a) Nothing in this By-law shall prevent the strengthening to a safe condition of a *building* or *structure* or the reconstruction of a *building* or *structure* or repair of minor damage to a *building* or *structure* that is a legal non-conforming use, provided that:
- i) such repair or reconstruction does not further contravene the provisions of this By-law or the Planning Act because of an increase in the *height*, size or volume, or by changing the use of such *building* or *structure*; and,
 - ii) if the *building* is a dwelling house in other than a residential zone, it shall comply with all of the requirements set out in Schedule 'B' for an Inland Development 2 (RR) Zone.
 - iii) if the building is removed by the owner through the issuance of a demolition permit, the replacement of any building with an increased footprint or total floor area must comply with the yard requirements of this By-law.

3.08 **Buildings to be Moved**

No *building* or *structure* which would have required a *building* permit for its construction shall be moved to any location within the *Township* without the issuance of a *building* permit from the *Township*. This requirement does not apply to the temporary removal or

placement of a floating *dock* or *docks* for winter storage.

3.09 **Continuation of Farming Use**

Nothing in this By-law shall prevent the continued use of any land, *building* or *structure* for *farming* purposes or any addition or extension of such use provided that any such additions or extensions shall comply with the requirements of Schedule 'B' for an Inland Development 1 (RU) Zone as to coverage, *yard* and *height* provisions. Notwithstanding Schedule 'B', any accessory farm buildings are subject to a minimum *yard* of 30 metres.

3.10 **Decks and Docks**

- a) Notwithstanding the *yard* and *setback* provisions of this By-law, attached unenclosed porches, balconies, *decks*, steps and patios, may project into any *required yard* a maximum distance of 4.0 metres if it is not covered and 2.0 metres if it is covered, but not closer than 1.2 metres to any *lot line*. Where the floor of any porch, balcony, or *deck* is more than 2.0 metres above the *average grade*, the *side yard* and *rear yard setback* requirements for the *main building* shall apply to the porch, balcony or *deck*.
- b) A detached, open-air *deck* including steps is permitted within the *front yard* provided that the *deck* is less than 14 square metres and that the *height* of the floor of the *deck* is less than 2 metres above the *average grade*.
- c) In a residential zone, a single dock is a permitted accessory structure subject to the following additional regulations:
 - i) The maximum length of a dock should not exceed 15 metres or 25% of the width of the channel whichever is more restrictive;
 - ii) The cumulative width of a dock, including fingers, cannot exceed 10 metres;

- iii) The maximum area of a dock including ramps shall not exceed 60 square metres (decking area of dock only); and
 - iv) Permission is obtained from any government organization having approval authority.
- d) In a tourist commercial zone, a dock is a permitted structure subject to:
- i) obtaining authority from the Crown for a water lot if applicable;
 - ii) the maximum length of a dock not exceeding 20 metres or 25% of the width of the channel whichever is more restrictive;
 - iii) a maximum area of any waterlot devoted to docks and slips not to exceed 10 percent of the adjacent lot area, not occupy more than 50 percent of the lot frontage up to a limit of 4000 square metres (includes lake surface area between dock slips);
 - iv) an increased side yard to 6 metres where the commercial lands abut a residential zone; and
 - v) permission being obtained from any relevant government agency.

3.11 Dwelling Unit in Non-Residential Building or Lot

No person shall use any land, or erect, alter or use any *building* or *structure* for the purpose of a separate *dwelling unit* or units on a *lot* in a C1.1, C1.2, C1.3, C1.4, C1.5, C2, M1 or an M2 zone, unless the following provisions are met:

- a) Up to two single *dwelling units*, including a *mobile home*, are permitted for personal use of the owner, operator or an employee of the non-residential use, provided that each unit has a water supply and sewage system which has been approved by the Ministry of Environment and Energy.
- b) The *dwelling unit* or units has a minimum *floor area* in accordance with the requirements of the Building Code Act, and amendments thereto.
- c) The *dwelling unit* or units has separate washroom and *kitchen* facilities from those of the non-residential use.
- d) Each *dwelling unit* shall have a separate *parking space* in addition to the *parking spaces* otherwise required for the non residential use(s).
- e) The *dwelling unit* or units shall have a separate building entrance to that provided for the non-residential use.
- f) The *gross floor area* of the residential portion of a non-residential *building* in a Commercial or Industrial Zone shall not exceed 50 per cent of the total *floor area*.

Notwithstanding the provisions of this By-law, no *dwelling unit* shall be located in a non-residential *building* that is used for an *Automobile Service Station* or a *Public Garage*.

3.12 Existing Buildings on Lots With Inadequate Requirements

Where one or two *single detached dwellings* legally exist on a *lot* with inadequate frontage, depth or area requirements, either may be enlarged provided there is compliance with all other applicable provisions of this By-law.

3.13 Extensions of Existing Buildings Encroaching Upon Yards

Notwithstanding the *yard* provisions of this By-law, the extension of any legal non-conforming *building* which has less than the *required yard* requirements is allowed, provided that such extension does not further contravene the *yard* provisions of this By-law.

3.14 Flood Plain Requirements

No *building* or *structures* which are to be used for human habitation shall be permitted below the theoretical flood elevation on the shores of any lakes.

3.15 Frontage on Public Road or Street

No *person* shall *erect* any *building* or *structure* in any zone unless the *lot* upon which such *building* or *structure* is to be *erected* fronts upon an open public highway maintained year-round by the *Township* or public authority, except in:

- a) a Waterfront Residential Zone, a *dwelling unit* may front on a *navigable* waterway, provided that the side or *rear yard* has a minimum of 20 metres that directly abuts a public road, private right-of-way or road allowance - this provision does not apply to water access properties;
- b) an Inland Development 1 (RU) Zone, a hunt camp;
- c) a commercial or industrial zone, the *lot* may front upon a *private road* or right-of-way having a minimum width of 20 metres.

3.16 Greater Restrictions

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

3.17 Height Exceptions

- (a) A place of worship, spire, belfry, clock tower, chimney, *farm building* or *structure*, silo, water tank, windmill, radio, radar or television tower or antenna or

drive-in theatre screen may exceed the *height* provisions of Schedule 'B'.

- (b) A public *building*, public utility *building*, sanatorium, *hospital* or *school* may be *erected* to a *height* not exceeding 23 metres, provided the *required yards* are increased by 0.5 metres for each additional 0.5 metres of height by which the said *building* exceeds the *height* limit of the zone in which it is situated.

3.18 Deleted by the Ontario Municipal Board Order (O.M.B. file R950288)

3.19 Lane as Yard

Where the *rear lot line* of a *lot* adjoins any portion of a *lane*, one-half of the width of that portion of such *lane* may be considered part of the *lot* for the purpose of computing the area of the *lot* or the depth of any *rear yard* required under this By-law.

3.20 Loading Space Regulations

- a) Loading Space Requirements

The owner or occupant of any non-residential *lot*, *building* or *structure erected* or used for any purpose involving the receiving, shipping, loading or unloading of *persons*, animals, goods, wares and merchandise and raw materials, shall provide and maintain at the premises on the *lot* occupied by the *building* or *structure* and not forming part of a *street* or *lane*, within the zone in which such use is located, one loading or unloading space 10 metres long, 3.5 metres wide for each 450 square metres of *floor area* of the *building* or *structure* and having a vertical clearance of at least 4 metres provided, however, that adequate space shall be provided for the parking of *vehicles* awaiting access to loading spaces. No loading space will be required for *buildings* less than 450 square metres of *floor area*.

- b) Access
Access to loading or unloading space shall be by means of a driveway at least 6 metres wide.
- c) Loading Space Surface
The driveways, loading and unloading spaces shall be constructed and maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles and with provisions for drainage facilities.
- d) Location
The loading space or spaces required shall be located in the interior side or *rear yard* unless set back from the *street line* a minimum distance of 25 metres.
- e) When a *building* or *structure* has insufficient loading space at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built however, and no change of use may occur, the effect of which would be an increase in that deficiency.
- expropriation;
- (e) a *lot* created as a result of the granting of a consent by the land division authority prior to the passage of this By-law;
- (f) a *lot* on a draft plan of subdivision approved on or before the passing of this By-law; or,
- (g) a consent in principle approved by the Ministry of Municipal Affairs on or before the passing of this By-law;
- and where such a *lot* has a frontage of at least 30 metres, and a depth of at least 60 metres, or an area of at least 1,800 square metres, such *lot* shall be deemed to conform to the *lot frontage*, *lot depth* and area requirements of this By-law.
- Lots less than 1800 square metres existing on the date of the passage of this By-law, may be eligible for a building permit subject to compliance with the yard and coverage requirements in Schedule 'B'.

3.22 Measurement of Lot or Island Area

For the purposes of calculating the *lot area* of any *lot* or *island* fronting on a *navigable* waterway, the water level to be used shall be the high water mark.

3.21 Lots Having Less Area, Frontage or Depth Than Required

Where a *lot* having a lesser frontage, area or depth than is required by this By-law is:

- (a) held under distinct and separate ownership from abutting *lots* on or before the date of passing of this By-law;
- (b) a *lot* on a registered plan of subdivision;
- (c) a *lot* created as a result of a consent granted by the *Minister* under the provisions of the Planning Act;
- (d) created as a result of expropriation or other land acquisition by any authority having statutory powers of

3.23 Mobile Homes

A *mobile home* is a permitted use provided it complies with all current requirements of the Ontario Building Code Act Regulations thereunder and amendments thereto so long as it is constructed on a permanent foundation.

3.24 Multiple Zones

Where a *lot* is divided into more than one zone, each portion of the said *lot* shall only be used in accordance with the provisions of the zone governing that portion.

3.25 Non-Conforming Uses

Continuation of Existing Uses

The provisions of this By-law shall not apply:

a) to prevent the use of any land, *building* or *structure* for any purpose prohibited by this By-law if such land, *building* or *structure* was lawfully used for such purpose on the day of the passing of this By-law, so long as it continues to be used for that purpose; or,

b) to prevent the *erection* or use of any *building* or *structure* for which a permit has been issued under the Building Code Act, prior to the day of passing of this By-law, for a purpose prohibited by this By-law, so long as the *building* or *structure* when *erected* is used and continues to be used for the purpose for which it was *erected* and provided the permit has not been revoked under the Building Code Act.

c) for the purpose of this Section, any *dock* used as such at the time of the passing of this By-law shall be deemed to be lawfully used.

d) the seasonal removal of *docks* does not affect their non-conforming status, provided they are returned to their former location;

e) Residential Use in a Commercial Zone

Nothing in this By-law shall apply to prevent the alteration or enlargement of a residential *dwelling unit* or units existing on the date of passing of this By-law in a Commercial Zone, provided that the number of *dwelling units* is not increased and provided further that such alteration or enlargement is subject to all applicable general provisions and zone requirements of the Inland Development 2 (RR) Zone.

f) *Ground Floor Area Less Than Required*

Nothing in this By-law shall prevent an alteration being made to a permitted dwelling house, which dwelling house existed at the time of passing of this By-law

but which has a *ground floor area* or *dwelling unit* area less than that required by this By-law, provided such alteration does not contravene any other provisions of this By-law.

3.26 Number of Dwelling Units on One Lot

Only one *dwelling unit* shall be permitted on a *lot* unless otherwise indicated. An additional *dwelling unit* in a separate *building* for the accommodation of a farm worker and his family, where the *lot* is greater than 20 hectares in area is permitted in the Inland Development 1 (RU) Zone.

Such additional *dwelling unit* shall:

- (a) have a minimum *floor area* of 60 square metres;
- (b) have separate services from the principal dwelling approved by the Ministry of Environment; and,
- (c) be located sufficient distance from the main dwelling to be eligible for a consent in the Inland Development 1 (RU) Zone.

3.27 Occupation of Uncompleted or Unserviced Building

No *building* shall be used for human habitation before the sanitary facilities have been installed and made fully operational as required by the local Health Authority.

3.28 Parking Area Regulations

Parking spaces and areas are required under this By-law in accordance with the following provisions:

- (a) *Parking Space Requirements*

Every *building* or *structure erected* or used for any of the following purposes shall have the following *parking spaces* and areas:

<u>Type of Building or Use</u>	<u>Minimum Parking Required</u>
--------------------------------	---------------------------------

<i>Building</i> containing one <i>dwelling unit</i>	1 <i>parking space</i> , or 1 garage, or a <i>carport</i> .
---	---

<i>Schools</i>	1 1/2 <i>parking spaces</i> for each teaching area, plus 1 separate bus loading area per 2 teaching areas.
<i>Industrial including Home Industry</i>	At least 3 <i>parking spaces</i> for every 90 square metres of total <i>floor area</i> up to 1800 square metres, plus one additional space for every 800 square metres of total <i>floor area</i> over 1800 square metres including any <i>basement</i> area if used for industrial use.
<i>Marina</i>	1.25 <i>parking spaces</i> for every <i>docking slip</i> .

b) **Parking Area Requirements**

Parking areas shall conform to the following provisions:

- (i) the *parking area* shall be located on the same *lot* as the use it is intended to serve, except in the case of a water access *lot* where the *parking area* shall be located in a zone where such use is permitted by this By-law or within 500 metres of the *lot* it is intended to serve in the case of a commercially zoned property;
- (ii) each *parking space* shall be at least 3 metres by 6 metres and shall be provided with unobstructed access to a *street* directly or by way of a driveway, aisle, *lane* or *private road*;
- (iii) any *parking area* designed to serve water access *lots* shall have a minimum area of 100 square metres for each *lot* to be served and no parking shall be permitted within 10 metres of the high watermark or within 6 metres of any *side lot line* abutting a *lot* in a Waterfront Residential Zone and be owned by or registered on title to the water access land owner.

c) **Parking Area Surface**

In a Commercial or Industrial Zone, *parking areas* and driveways connecting the *parking areas* with a *street* shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. The *parking area* shall, before being used, be constructed of crushed stone, slag, gravel, crushed brick (or tile), cinders, asphalt, concrete, Portland cement binder or like material and with provisions for drainage facilities which have been designed and constructed so as to prevent erosion, the washout of such *parking areas*, driveways or aisles or the carrying of soil, sand or sediment into an adjacent waterway.

d) **Ingress and Egress**

- (i) Ingress and egress, to and from the required *parking spaces* and areas shall be provided by means of unobstructed driveways or passageways at least 4 metres but not more than 10 metres in perpendicular width.
- (ii) The maximum width of any joint ingress and egress driveway ramp measured along the *street line* shall be 10 metres.
- (iii) The minimum distance between a driveway and an intersection of *street lines* measured along the *street line* intersected by such driveway shall be 7 metres.
- (iv) The minimum angle of intersection between a driveway and a *street line* shall be 60 degrees.
- (v) Every *lot* shall be limited to the following number of driveways:
 - (1) up to the first 30 metres of frontage - not more than 2 driveways; and,
 - (2) for each additional 30 metres of frontage - not more than 1 additional driveway.

e) **Illumination**

Where *parking areas* are illuminated, lighting fixtures shall be so arranged that no part of any fixture shall be more than 8 metres above the finished grade of the *parking area*. Fixtures shall be so designed and installed that the light is directed downward and deflected away from adjacent *lots*, roads and *streets*.

f) **Addition to Building or Structure**

When a *building* or *structure* has insufficient *parking area* at the date of passing of this By-law, nothing in this By-law shall be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur, that would have the effect of further contravening the provisions of this By-law.

g) **Use of Parking Spaces and Areas**

Any area where parking is permitted under this By-law shall only be used for the parking of operational operative passenger *vehicles* and commercial *vehicles* used incidentally to the permitted uses on the *lot*, bearing currently valid license plates or for the seasonal storage of boats.

For the purpose of this subsection "commercial *motor vehicle*" shall mean any commercial *vehicle* as defined in The Highway Traffic Act.

h) **Parking Area Location on Lot**

Notwithstanding the *yard* and *setback* provisions of this By-law, uncovered surface *parking areas* in other than residential zones, shall be permitted in the *required yard* or in the area between the road or *street line* and the required *setback* provided no part of any *parking area*, other than a driveway, is located closer than 1 metre to any road or *street line*.

3.29 Pits and Quarries

No *person* shall use any land, or *erect*, alter or use any *building* or *structure* for the purpose of processing, washing, sorting, screening or crushing rock, sand or gravel except in conformity with the provisions of this By-law.

The making, establishment or operation of any new pits or quarries, except *wayside pits* as herein defined, is prohibited except in the locations permitted and in accordance with the provisions of this By-law.

Any *pit or quarry* permitted by this By-law shall be set back a minimum of 120 metres from the high water mark of any *navigable* waterway and 50 metres from any public road or *side lot line*.

3.30 *Portable Asphalt Plant*

Portable asphalt plants, used by a public road authority or their agent, shall be permitted throughout the *Township* without requiring an amendment to this By-law, except in existing built up areas and in an Environmental Protection (EP) Zone.

3.31 *Public Uses*

Nothing in this By-law shall prevent any land, *building* or *structure*, other than in an Environmental Protection (EP) Zone, from being used:

- a) as a *public park*, community park, playground, *cemetery*, or as a site for a public statue, monument, cenotaph, fountain or other memorial or ornamental *structure*; or,
- b) by the *Township* or by any local board thereof, by any telephone, telegraph or gas company, or by any other government agency, including Ontario Hydro, provided that, where such land, *building* or *structure* is located in a Inland Development 2 (RR) Zone:
 - i) no goods, material or equipment shall be stored in the open;
 - ii) the *lot coverage* and *yard* provisions prescribed for the Inland Development 2 (RR) Zone shall be complied with; and,
 - iii) any *building* erected pursuant to the provisions of this paragraph is designed and maintained in general harmony with

surrounding *buildings*.

3.32 *Pumphouse Restrictions*

Where a *lot* abuts a *navigable* waterway, a single *pumphouse* is a permitted *accessory use* which may be located in any *front yard*, *side yard* or *rear yard* provided that:

- a) the *pumphouse* is set back at least 3 metres from the high water mark;
- b) the maximum *ground floor area* of the *pumphouse* is 9 square metres; and,
- c) the maximum *height* of the *pumphouse* is 3 metres.

3.33 *Reduction of Requirements*

No *person* shall change the purpose for which any land, *building* or *structure* is used, or *erect* any new *building*, *structure* or addition to any existing *building* or *structure* or sever any land from any existing parcel, if the effect of such action is to cause the land or the original, adjoining or remaining *buildings* or *structures* to be in contravention of any of the provisions of this By-law.

3.34 *Sauna*

A *sauna* is a permitted *accessory building* which may be located in any *front yard*, *side yard* or *rear yard* provided that:

- (a) approval is obtained from any government agency having jurisdiction;
- (b) the maximum *height* is one *storey* not exceeding 4 metres; and,
- (c) the maximum *floor area* is 20 square metres, including *decks*.

3.35 *Setback From Environmental Protection Area*

Notwithstanding the provisions of this By-law, all *buildings* and *structures* excepting *docks*, *pumphouses*, *boathouses* or *saunas*, must be set back a minimum of 5 metres from all areas zoned Environmental Protection (EP) as shown on the map schedules.

3.36 Shore Road Allowance

Where a shore road allowance or Crown Reserve exists in front of any *lot* which has not been stopped up and acquired by the abutting land owner in whole or in part, the area of the shore road allowance or Crown Reserve above the high water mark between the extension of the *side lot lines* may be considered part of the *lot area* or depth required by this By-law.

- i) Swimming pools may not be constructed in a *front yard*, and not closer than 2 metres to any *lot line*, other than a *street line*, plus 0.3 additional metres distance for each 0.5 metres which the top edge of the swimming pool is above grade at the property line.

3.37 Shore Road Allowance As Yard

Notwithstanding the provisions of this By-law, where a shore road allowance or Crown Reserve exists in front of any *lot*, which has not been stopped up and acquired by the abutting land owner in whole or in part, a *building* or *structure* may be *erected* without a *front yard* provided that the minimum *front yard* distance to the high water mark is maintained and further provided the *building* or *structure* or any part thereof does not encroach upon the shore road allowance or Crown Reserve.

- ii) Swimming pools to be constructed adjacent to *street lines*, shall be set back the same distance as the dwelling is required to be set back, as set out in the this By-law.

- ii) Every in-ground swimming pool in a residential zone shall be enclosed by a fence of at least 1.5 metres in *height* and located at a distance of not less than 1 metre and not more than 5 metres from the inside edge of the pool.

3.38 Signs

The provisions of this By-law shall not apply to prevent the *erection*, alteration or use of any sign, provided such sign complies with the By-laws of the *Township* regulating signs.

- b) For any other use:

Distance from any *street* or other *lot line* shall be 15 metres. The distance referred to above shall be measured from the inside edge of the swimming pool.

3.39 Sleeping Cabins

Subject to Section 3.03, a single *sleeping cabin* is a permitted *accessory use* on any *lot* zoned for residential use, provided that the maximum *gross floor area* does not exceed 35 square metres or does not exceed the *ground floor area* of the principal dwelling on the *lot*, whichever is the lesser.

3.41 Temporary Uses Permitted

The following uses are permitted in all zones within the *Township* excepting the Environmental Protection (EP) and the Flood Plain (FP) Zones provided that a *building* permit has been issued for the *main building* on the *lot*:

3.40 Swimming Pools

The following provisions apply to outdoor swimming pools:

- a) For a single-detached, *duplex*, *semi-detached* and converted dwelling:

- a) Temporary camps, including *trailers* that comply with the *Trailer* Licensing By-law, used in the construction of public works but only for so long as it is necessary for such works as may be constructed adjacent to the camp and only until such time as the work is completed, or abandoned, or;

- b) A tool shed, scaffold, *trailer* (licenced) or other *building* or *structure* incidental to the construction on the premises where it is situated and only for so long as it is necessary for the work in progress and until the work is completed or abandoned.

"Abandoned" in this Section shall mean the failure to proceed expeditiously with the construction of a work, specifically abeyance of construction for twelve months.

3.42 Through Lot

Where a *lot* is a *through lot*, or where the *front lot line* of a *lot* is not determinable because of the *lot* or *island* configuration, the *setback*, frontage and *front yard* requirements contained herein shall apply on each road, or from each *highwater mark*, in accordance with the provisions of the zone or zones in which such *lot* is situated.

3.43 Tourist Establishment Regulations

Notwithstanding the provisions of this By-law, the following special provisions shall also apply to new and expanding or enlarging *tourist establishments* on the waterfront and located in the General Commercial and Tourist Commercial (C2) Zones.

- (a) Waterbody Size (Where Applicable)

Tourist establishments on the waterfront in the General Commercial Zones and Tourist Commercial (C2) Zone within the Township of McKellar, shall not be located next to lakes which are smaller than 19 hectares in surface area.

- (b) Minimum Frontage on Navigable Water (Where Applicable)

The minimum water frontage required for *tourist establishments* on water in the General Commercial Zones and Tourist Commercial (C2) Zone shall be 100 metres or 2 metres for each *person* that can be accommodated or 20 metres for each 5 *campsites*;

whichever results in the greater requirement. For the purpose of this By-law, every bedroom will generate 2 *persons*. For the purposes of determining the number of persons accommodated, this provision does not include owners or employees of *tourist establishments*.

- (c) Minimum Lot Size

The minimum *lot* size for *tourist establishment* in the General Commercial Zones and Tourist Commercial (C2) Zone shall be 2 hectares or one hectare for each 20 *persons* that may be accommodated or fraction thereof; whichever is a greater requirement. For the purpose of this By-law, every bedroom will generate 2 *persons* and every *campsite* will generate 3 *persons*. For the purposes of determining the number of persons accommodated, this provision does not include owners or employees of *tourist establishments*.

- d) Parking

Each *tourist establishment* in the General Commercial Zones and Tourist Commercial (C2) Zone shall provide at least one *parking space* for each *tent* or *trailer* site, housekeeping cottage, *motel*, *hotel* or efficiency unit.

3.44 Trailers

No *trailer* may be used for human habitation except in accordance with the provisions of Section 3.41 and in accordance with the Municipal Trailer By-law.

3.45 Unzoned Lands

Any lands illustrated on as shown on the map schedules to this By-law without a reference to a zone symbol shall be deemed to be zoned Inland Development 1 (RU) and all applicable provisions of this zone shall apply.

3.46 Use for Hazardous Purpose

No land, *building* or *structure* shall be used for such Commercial or Industrial purpose as is likely to create a public nuisance or danger to health or danger from fire or explosion, except in accordance with the provisions of or regulations under The Gasoline Handling Act.

3.47 Landfill Site To Be Set Back

Notwithstanding the provisions of this By-law, a *landfill site* must be separated from any standing body of water in excess of 20 hectares of surface area a minimum of 300 metres.
