APPLICATION FOR ENTRANCE TO PRIVATE LANDS IN ACCORDANCE WITH BY-LAW No. 2008-27

Name: _____

Address: _____

Property Location: Lot _____, Con _____, Sublot _____, Plan _____

Land Use: Commercial _____, Residential _____, Vacant _____, Civic Address _____

A sketch of the low showing all buildings and location and dimensions of proposed entrance must be attached.

Applicant must clearly mark the location of the proposed entrance **at the site.**

Do not install any entrance without contacting the Public Works Superintendent for an inspection of the proposed location. Installation of all entrances **must be inspected and approved** by the Public Works Superintendent upon completion.

In the event that the Public Works Superintendent is of the opinion that proper drainage of a Township road may be interfered with, then such entrance may not be constructed unless a culvert having a minimum diameter of 400 mm and a minimum length of 7 metres is installed with a 150 mm cover of grave, crushed stone or crushed rock placed over the culvert in such a manner **so as not to raise the elevation of the entrance above the publicly travelled portion of the roadway. Culvert sizing shall be at the discretion of the Public Works Superintendent.**

Regardless of whether or not a culvert is required in the construction of the driveway entrance, **all driveway entrances shall be a minimum width of 8 metres where the entrance adjoins the shoulder of the travelled roadway. Entrances shall have a minimum 2% crossfall from the centerline of the entrance and shall be constructed to the satisfaction of the Township Public Works Superintendent.**

The property owner is responsible for all costs associated with an entrance to private lands.

By-law No. 2008-27 as amended may be viewed at the Township Office.
