Beginning **Tuesday, September 2, 2025**, the Township of McKellar will provide Parry Sound High School students, who are residents of the Township, with access to dedicated workspace at the **McKellar Municipal Building (701 Highway 124)**. This space offers reliable internet and a quiet environment for students to complete online learning during regular school hours while the new Parry Sound High School remains under construction. Students must supply their own computer equipment (e.g. laptops, ear/headphones, etc.) and lunch (if necessary).

If you or your child would like to make use of this space, please contact:

Please note:

Students will be working in either the Council Chambers, Multi-purpose Room or the Youth Room. Supervision will be minimal to none, so parental discretion is advised.

A waiver form must be completed before use of the space. Parents/guardians must complete the form for students under 18, while students aged 18 and older may complete the form themselves.
