MAYOR'S REPORT

Mayor Hopkins paid tribute to Steve Munroe, who has recently retired from West Wind Forest Stewardship Inc. after 25 years of service protecting, preserving and conserving our forests. Steve has given back to McKellar in many ways over the years by donating trees, conducting educational walks on Balsam Trail and providing advice and counsel to many in the community.

The Re-Use Tent at the Transfer Station will be up and running very soon.

The Township is looking for any groups interested in bottle collection at our Transfer Station. Please apply through the Township Office by April 25, 2022.

The Mayor's full report can be found on the website at:

<https://www.mckellar.ca/en/township-services/council.aspx#Mayors-Communique>

Moved by: Councillor Moore

Seconded by: Councillor Haskim

22-151

Whereas the Council of the Township of McKellar has received the April 5, 2022 letter of from Katy and Cameron Ward, Owners and Operators of Middle River Farm and Farm Store with respect to the proposed extending of the McKellar Market into Patterson Lane; and

Whereas Patterson Lane is the main access to a successful, long time McKellar Business, is one of the three main accesses to the 124 Highway Corridor, is used on a continuous basis for local and travelling public when the General Store and Scooby's area is congested, and it might be required for use by emergency vehicles during times of congestions;

Now Therefore Be It Resolved that Patterson Lane not be closed for the Market Expansion.

YEAS: Councillors Haskim, Kekkonen, Moore, Ryeland and Mayor Hopkins

NAYS: None

ABSTAIN: None

Carried

Moved by: Councillor Ryeland

Seconded by: Councillor Haskim

22-155 **Whereas** the Manitouwabing Peninsula Association has been working tirelessly for over thirty years to create a municipally assumed road;

And Whereas over the last three years they have played an active part in our Council approved Roads Committee;

And Whereas over this time, they have continued to work tirelessly, patiently and collaboratively with the Committee and Council through many public meetings;

TOWNSHIP OF MCKELLAR

Council Meeting Minutes

April 12, 2022

And Whereas they were on the understanding that the new Road Policy had been approved by Council;

And Whereas they continued to work with staff and council to resolve long standing legal and ownership matters which they believed paved the way to proceed with a formal agreement beginning this summer;

And Whereas they have followed all the steps as other road groups have done;

And Whereas they have agreed that they are responsible for costs of completing Deerfield Road and Bay Drive to required standards.

Now Therefore Be It Resolved that Council direct staff to enter into formal discussions to bring Deerfield Road and Bay Drive to municipal standards;

And Further direct staff to provide a status report on steps that have been taken to date, prior to discussions.

Seconded by: Councillor Moore

22-157 **Whereas** the Council of the Township of McKellar at the February 3, 2022, Council meeting, unanimously passed Resolution No. 22-36, wherein IT specialist, Dan Hildebrandt, was requested to research viable options for improved connectivity for the community centre complex; and

Whereas the IT Specialist, Dan Hildebrandt, was instructed to report back to Council for the Regular Council Meeting on March 8, 2022; and

Whereas, as of this date, April 12, 2022, no report from the IT Specialist, Dan Hildebrandt, has been received by Council; and

Whereas connectivity issues continue to create problems for the viewing and listening public, often making it impossible for them to attend Council meetings in a virtual manner, thereby reducing the transparency of said meetings; and

TOWNSHIP OF MCKELLAR

Council Meeting Minutes

April 12, 2022

Whereas Council has budgeted and had installed a new audio-visual system to replace the older, inadequate system; and

Whereas the new audio-visual system has proven to be inadequate for the purposes of virtually holding Council Meetings;

Now Therefore Be It Resolved that the Council of the Township of McKellar does hereby instruct the Clerk Administrator or designate to immediately arrange an in person meeting with Council and the IT Specialist, Dan Hildebrandt, and a company representative from Michael Enterprises Audio and Visual (Barrie, Ontario), to review the capabilities of the installed equipment, trouble shoot and provide solutions to resolve current connectivity, and audio-visual issues and to instruct the meeting participants on the effective and efficient use of the purchased and installed equipment; and

Further Be It Resolved that other potential and interested users of the system also be provided the opportunity to be instructed, in a timely manner, on the operation of the installed audio-visual equipment.

22-166 **Be It Resolved That** the Council of the Township of McKellar does hereby adjourn this meeting at 1:17 p.m.

Carried

Peter Hopkins, Mayor

Ina Watkinson, Clerk

Special Meeting called by the chair. 7:00 pm May 03/22
 Lake Stewardship and Environment Standing Committee of the
 Community of McKellar

1. Chair called the meeting to order. 7:02
2. Present: Susan Adamson, Jennifer Ghent Fuller, Axy Leighl, Tony Best, Al Last, Carl Mitchell, Lynda Taylor, Carl Mitchell, Nick Ryeland, Regrets: Lynda Taylor, Sheila Hardie, Melanie Jeffrey
3. Land acknowledgement: we would like to begin by acknowledging that the land on which we gather is the traditional territory of the Anishnaabe and the Mississauga people.
4. Agenda. This special meeting has been called To discuss the addition of the purpose as written by Reg Moore, that LSEC be included in all documents from the township office. Jennifer asked individual committee members to respond. **Lynda**, official plan takes 5 years, we have 7-11 elected members, where does the experience go when council members leave. Does this responsibility rest totally on our shoulders? What is the budget for this? Our mission statement does not cover this. How much more time do we want to put into this committee? **Tony** shared concerns.....township council should decide what resources they need, does this add another process/step to any process. This committee does not have particular capability that the council does not have. Should not a professional be hired? Council needs a proper professional. Council needs to decide what they need. We only respond to a request from council, this is premature, not the correct process. Jennifer commented that we have liability insurance. We have no budget for this request. We need to vote the resolution down and ask the council what they wish us to do. **Al** stated the choice is councils, we can only give an opinion. **Axy** asked do we need more work? Axy is concerned that the same planner worked for an applicant and the town. That concern is not addressed by LSEC taking a role in this process. Township is stretched very finely....but it is not our concern. He feels adopting the resolution is not the answer. **Carl** asked what we would be getting ourselves into. Jennifer read the resolution as sent out. Carl is ok with them sharing information with us, but feels we do not need to act. **Nick** stated we are a standing committee not an ad hoc committee. Nick feels we can be involved but others must be too! The PS planning board run by John Jackson, planned for 6 local councils. Mr Jackson recommends to council on matters of planing to council. John has now retired from his duties.

We now have no official planner, which is an enormous problem. Nick feels this additional role would be a nightmare. He feels we would be spread far too thin and not accomplish our goals. Logistically impossible. We might poison our position in this community. **Axy** says we can provide comments as individuals involved with LSEC. **Carl** says we cannot be obliged to do anything for council. **Jennifer** stated there is not a long lead time with the council's document. LSEC works on many issues. here is a partial list in which the LSEC is engaged:

Evaluation and communication of water testing results

Education on lake protection

Education on invasive species

Communication with MoE on Tire Reefs

Investigation of drinking water source protection

Education on septic system care

Investigation of shoreline protection bylaws

Investigation of tree cutting bylaws

Education on the public lands act

Education on microplastics, catch and release fishing, fish catch reporting for Armstrong Lake

Education on maintaining dark skies, preventing shoreline erosion

Provision of habitat for bats and birds – education and workshops

Creation of a butterflyway and butterfly gardens in Mck twp

Education on climate change issues including electric vehicles

Education on boating safety

Lake water levels – monitor issues. She feels we can not take on more work than we already do. We are volunteers.....paid experts should be doing this work. Jennifer will resign as chair should this proposal go through.

Jennifer shared the resolution. “The LSEC is to be circulated on any and all Documents including but not limited to Official Plan Amendments, Zoning By-Law Amendments, Site Plan Agreements, Consents to Sever Land, Subdivision Agreements, Planning Reports, Environmental Reports, Wildlife Studies etc. The above circulation shall be in a timely manner so as the LSEC has time to prepare a Report to Council prior to the subject matter coming to a Council Meeting for a decision”. The members of the LSEC completed a poll, 7 people voted no, so the resolution was defeated. If council comes with something specific for us to deal with, we will consider it.

5. What can we do about the consultant acing for the council and the applicant? Please contact Axy.
6. Tony moved we adjourn, Lynda seconded the motion, approved, adjourned at 7:53

TOWNSHIP OF McKELLAR
RECREATION COMMITTEE – MINUTES
APRIL 28, 2022, 3:30 p.m.

PRESENT: Joyce Hopkins, Kathy Spence, Mel Hammond, Morley Haskim, Dinah Ryeland Brown
And Phil Jefkins.

REGRETS: Judy Ryeland, Al Last, Linda Fillion, Rick Brear.

VISITORS: None

APPROVAL OF THE MINUTES: Moved by Dinah Ryeland Brown and seconded by Kathy Spence that the Recreation Committee of the Township of McKellar does hereby accept the minutes of the March 24, 2022 meeting. Motion Carried (22-09).

APPROVAL OF THE AGENDA: Moved by Phil Jefkins and seconded by Mel Hammond that the Recreation Committee of the Township of McKellar do hereby accept the agenda for the April 28, 2022 meeting. Motion Carried (22-10).

DECLARATION OF CONFLICT OF INTEREST: None

CORRESPONDENCE RECEIVED: An e-mail was received from the Municipality of Whitestone stating that they will be having swimming lessons in Dunchurch and therefor will not be having a swimming lessons program in cooperation with the Township of McKellar.

REPORTS OF MEMBERS:

1. Covid 19 Restrictions- Most Covid-19 restrictions continue to be lifted and all Recreation Committee activities will continue.
2. As Whitestone and McKellar will not be collaborating in a swimming lesson program the Recreation Committee will consider this program for McKellar.
3. Phil reported that storage will need to be arranged for Pickleball equipment prior to outdoor pickleball starting up. Phil will look into this. The baseball storage bin will be returned to the ball diamond.
4. Movie Nights – This activity has begun and will continue through May and June.

MOTIONS ARISING FROM REPORTS:

1. Moved by Mel Hammond and seconded by Dinah Ryeland Brown that the Recreation Committee of the Township of McKellar do advertise for, and hire a swimming instructor for the upcoming summer season, 6 to 8 weeks. Motion Carried (22-11).

SEE PAGE 2

2. Moved by Kathy Spence and seconded by Dinah Ryeland Brown that the Recreation Committee of the Township of McKellar does hereby have an Outdoor Pickleball Program in the arena during the summer of 2022.

3. Moved by Phil Jefkins and seconded by Mel Hammond that the Recreation Committee of the Township of McKellar do hereby spend up to \$400.00 on Pickleball equipment. Motion Carried (22-13).

NEW BUSINESS:

Movie Nights- Fridays 7 p.m.: May 6 – West Side Story by Speilberg, May 27 – King Richard, June 10 – Death on the Nile, June 24 – Amadeus. Movie Nights Saturday 1:30 p.m. Kids. - April 30 – Clifford the Big Red Dog (PG). The Committee are also considering a couple summer movie nights.

Kids T-Ball Program – Rick will be organizing this program for the 2022 summer season. Registration will be held on Thursday, May 5, 5-7 p.m. Cost is \$15.00 per child or \$30.00 per family. The games will be held Mondays, May 30 – August 15. 6-7 p.m. The Ball storage bin will be moved back to the ball diamond.

Budget – Council has yet to approve the budget but regular Recreation programming will continue.

Volunteer Appreciation – The Committee may arrange an appreciation event for volunteers to be held in November.

St. Patrick Day Dance 2023 – Joyce will get more information from the band that may be booked for this event.

MOTIONS ARISING FROM NEW BUSINESS:

1. Moved by Dinah Ryeland Brown and seconded by Phil Jefkins that the Recreation Committee of the Township of McKellar does hereby re-new our Movie Night contract with Criterion Pictures. Motion Carried (22-14).

2. Moved by Kathy Spence and seconded by Mel Hammond that the Recreation Committee of the Township of McKellar does hereby permit a Committee Member to spend up to \$300.00 on an approved event or activity. Motion Carried (22-15).

NEXT MEETING: May 26, 2022, 3:30 p.m.

ADJOURNMENT: Moved by Dinah Ryeland Brown and seconded by Kathy Spence that the Recreation Committee of the Township of McKellar does hereby adjourn at 4:47 p.m. Motion Carried (22-16).

Good morning your Worship

My name is Carl Eggiman and I am the Vice President of Firefighters without Borders Canada. We are a CRA registered nonprofit organization that obtains firetrucks and PPE to be repurpose for third world countries or First Nation communities

In past, there has been a few times that McKellar Fire Departments has supported us with the donation of expired equipment

Last year, when I spoke with Acting Chief Ron Harrison, he indicated there might be some PPE and a 1996 Firetruck available to donate pending council's decision

Earlier this year, I spoke with Fire Chief Marc Hamel and was advised the decision still hasn't been make.

Yesterday, I received an urgent request from the International Airport in Uzhhorod Ukraine. This airport is now running 24 hours daily receiving humanitarian airlifts. The manager has asked for additional support in firefighting equipment to maintain the safety level.

I wish to inquire it the fire truck might be available for donation and in turn send to the Ukraine

I thank you for your time to review this request

Carl Eggiman

Whitestone and Area Nursing Station Building Expansion

Information update to McKellar Council March 30, 2022

Clinical Services

We are delighted to announce that West Parry Sound Health Centre has hired an additional nurse practitioner (NP) for the Whitestone and Area Nurse Practitioner-Led Clinic (NPLC). Nikki Mayes joined us as a nurse practitioner intern last year, and is staying on now that she is a fully-licensed nurse practitioner. Having another full-time NP will improve our ability to provide timely appointments for our patients. The Ministry of Health's funding for this position is most welcome. Having one more full-time person in the existing building, however, has made the need for the building expansion more urgent.

Building Construction

At the March 15 Regular Council meeting of Whitestone Council, the contract for the building expansion of the NPLC was awarded to W.S. Morgan Construction Limited from Parry Sound. Construction is expected to commence in early May.

Fundraising Update

Our community fundraising continues. We have reached 64% of our target of \$90,000 (approximately \$57,600). We have more fundraising initiatives planned for the spring, including a cash raffle, and a second raffle with prizes from local businesses and artisans.

On March 17, our MPP Norm Miller announced the award of a Northern Ontario Heritage Fund grant of \$500,000 for the NPLC building expansion. This is fantastic news for our communities – and confirms that our Provincial Government understands how valued and valuable the NPLC is.

On the same day, we announced that our anonymous donor has made an additional \$30,000 grant to the fundraising campaign – which means a total commitment of \$120,000 towards the construction costs.

Project Financing

A summary of our projects expenses and sources of funds is shown in the table on the following page.

Thank you for Your Continued Support

Our Committee would like to sincerely thank our three municipal councils in Magnetawan, McKellar and Whitestone for their continued support of our fundraising efforts. Your financial support is important to us and to the community. And your assistance in facilitating communications with our community donors is very much appreciated. You have made our fundraising so much easier and contributed to the success!

Toronto ON M7A 1A1

RE: Dissolve Ontario Land Tribunal

Please be advised the above-noted matter was placed before Council at its meeting held on March 23, 2022 and the following resolution was passed:

WHEREAS Municipalities across this province collectively spend millions of dollars of taxpayer money and municipal resources developing Official Plans that meet current Provincial Planning Policy; and

WHEREAS an Official Plan is developed through months of public consultation to ensure, "that future planning and development will meet the specific needs of (our) community"; and

WHEREAS our Official Plan includes provisions that encourage development of the "missing middle" or "gentle density" to meet the need for attainable housing in our community; and

WHEREAS our Official Plan is ultimately approved by the province; and

WHEREAS it is within the legislative purview of Municipal Council to approve Official Plan amendments or Zoning By-law changes that better the community or fit within the vision of the Town of Whitchurch-Stouffville Official Plan; and

WHEREAS it is also within the legislative purview of Municipal Council to deny Official Plan amendments or Zoning By-law changes that do not better the community or do not fit within the vision of the Town of Whitchurch-Stouffville Official Plan; and

WHEREAS municipal planning decisions may be appealed to the Ontario Land Tribunal (OLT; formerly the Ontario Municipal Board or "OMB"), an unelected, appointed body that is unaccountable to the residents of Whitchurch-Stouffville; and

WHEREAS the OLT has the authority to make a final decision on planning matters based on a "best planning outcome" and not whether the proposed development is in compliance with municipal Official Plans; and

WHEREAS all decisions—save planning decisions—made by Municipal Council are only subject to appeal by judicial review and such appeals are limited to questions of law and or process; and

WHEREAS Ontario is the only province in Canada that empowers a separate adjudicative tribunal to review and overrule local decisions applying provincially approved plans; and

WHEREAS towns and cities across this Province are repeatedly forced to spend millions of dollars defending Official Plans that have already been approved by the province in expensive, time consuming and ultimately futile OLT hearings; and

WHEREAS lengthy, costly OLT hearings add years to the development approval process and acts as a barrier to the development of attainable housing.

NOW THEREFORE BE IT RESOLVED THAT the Government of Ontario be requested to immediately engage municipalities to determine an alternative land use planning appeals process in order to dissolve the OLT and eliminate one of the most significant sources of red tape delaying the development of more attainable housing in Ontario; and

THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, the Minister of Municipal Affairs and Housing, the Leader of the Opposition, the Leaders of the Liberal and Green Party, all MPPs in the Province of Ontario, the Large Urban Mayors' Caucus of Ontario, the Small Urban GTHA Mayors, the Regional Chairs of Ontario, the Association of Municipalities of Ontario, and all Ontario municipalities for consideration.

Dear Premier,

RE: Dissolve Ontario Land Tribunal

At its meeting held on March 1, 2022, North Algona Wilberforce Township adopted the following resolution with respect to the Ontario Land Tribunal:

WHEREAS Municipalities across this Province collectively spend millions of dollars of taxpayer money and municipal resources developing Official Plans that meet current Provincial Planning Policy; and

WHEREAS an Official Plan is developed through months of public consultation to ensure, "that future planning and development will meet the specific needs of our community"; and

WHEREAS our Official Plan includes zoning provisions that encourage development of the "missing middle" or "gentle density" to meet the need for attainable housing in our community; and

WHEREAS our Official Plan is ultimately approved by the Province; and

WHEREAS it is within the legislative purview of Municipal Council to approve Official Plan amendments or Zoning By-law changes that better the community or fit within the vision of the Official Plan; and

WHEREAS it is also within the legislative purview of Municipal Council to deny Official Plan amendments or Zoning By-law changes that do not better the community or do not fit within the vision of the Official Plan; and

WHEREAS municipal planning decisions may be appealed to the Ontario Land Tribunal (OLT - formerly the Ontario Municipal Board or "OMB"), an unelected, appointed body that is not accountable to the residents of North Algona Wilberforce Township; and

WHEREAS the OLT has the authority to make a final decision on planning matters based on a "best planning outcome" and not whether the proposed development is in compliance with municipal Official Plans and Provincial Planning Policy; and

WHEREAS all decisions—save planning decisions—made by Municipal Council are only subject to appeal by judicial review and such appeals are limited to questions of law and or process; and

WHEREAS Ontario is the only province in Canada that empowers a separate adjudicative tribunal to review and overrule local decisions applying provincially approved plans; and

WHEREAS towns and cities across this Province are repeatedly forced to spend millions of dollars defending Official Plans that have already been approved by the province in expensive, time consuming, and ultimately futile OLT hearings; and

WHEREAS lengthy, costly OLT hearings act as a barrier to the development of attainable housing:

1. NOW THEREFORE BE IT HEREBY RESOLVED THAT North Algona Wilberforce Township requests the Government of Ontario to dissolve the OLT immediately thereby eliminating one of the most significant sources of red tape delaying the development of more attainable housing in Ontario; and
2. BE IT FURTHER RESOLVED THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, the Minister of Municipal Affairs and Housing, the Leader of the Opposition, the Leaders of the Liberal and Green Party, all MPPs in the Province of Ontario; the Large Urban Mayors' Caucus of Ontario, the Small Urban GTHA Mayors and Regional Chairs of Ontario; and
3. BE IT FURTHER RESOLVED THAT a copy of this Motion be sent to the Association of Municipalities of Ontario (AMO) and all Ontario municipalities for their consideration.

Your favorable consideration of this request is respectfully requested.

Sincerely,

Michelle Mantifel
Clerk-Treasurer

April 5, 2022

To All Ontario Municipalities:

Re: Correspondence Regarding the Municipality of Clarington's Comprehensive Zoning By-law Review Project, Zone Clarington

File Number: PG.25.06

At a meeting held on April 4, 2022, the Council of the Municipality of Clarington approved the following Resolution #PD-037-22:

That the correspondence arising from the following Resolution, #C-398-21, passed on December 13, 2021, be forwarded directly to all municipalities in Ontario.

"Whereas rural property owners and farmers in Clarington and across the Province are affected by the natural heritage system mapping;

And Whereas the mapping of natural heritage systems conflicts between the Greenbelt Natural Heritage System, Conservation Authority mapping, official plan mapping, and zoning bylaw mapping;

And Whereas the over-reach of natural heritage system mapping often results in environmental protection designations which are not justified, and are not protecting natural heritage features, and which negatively affects thousands of rural property owners and farmers;

And Whereas municipalities which are engaged in official plan updates and zoning bylaw updates have no clear direction on natural heritage systems mapping from the Province;

And Whereas a thorough investigation into the designated natural heritage systems by the provincial ministries are desperately needed immediately to ensure appropriate mapping is done and the designations are indeed accurate;

Now therefore be it resolved that:

1. The Provincial Government be requested to issue a cease and desist order on all updates to Natural Heritage System designations in official plans and zoning bylaws, thereby pausing the updates until a review of same by the province can be completed.
2. Clarington not proceed further with any revisions to its natural heritage system in its zoning bylaw pending the provincial review.
3. A copy of this resolution be forwarded to:
 - a) The Minister of Municipal Affairs and Housing;
 - b) The Minister of the Environment, Parks and Conservation;
 - c) All Durham MPP's;
 - d) The Region of Durham and all Durham municipalities; and
 - e) AMO for distribution to all rural municipalities."

Yours truly,

John Paul Newman

RE: Resolution from the City of Waterloo passed March 21st, 2022 re: Ontario Must Build it Right the First Time

Dear Minister Clark,

Please be advised that the Council of the Corporation of the City of Waterloo at its Council meeting held on Monday, March 21st, 2022 resolved as follows:

WHEREAS the Province of Ontario adopted greenhouse gas reduction targets of 30% by 2030, and emissions from buildings represented 22% of the province's 2017 emissions,

WHEREAS all Waterloo Region municipalities, including the City of Waterloo, adopted greenhouse gas reduction targets of 80% below 2012 levels by 2050 and endorsed in principle a 50% reduction by 2030 interim target that requires the support of bold and immediate provincial and federal actions,

WHEREAS greenhouse gas emissions from buildings represent 45% of all emissions in Waterloo Region, and an important strategy in the TransformWR community climate action strategy, adopted by all Councils in Waterloo Region, targets new buildings to be net-zero carbon or able to transition to net-zero carbon using region-wide building standards and building capacity and expertise of building operators, property managers, and in the design and construction sector,

WHEREAS the City of Waterloo recently adopted a net-zero carbon policy for new local government buildings and endorsed a corporate greenhouse gas and energy roadmap to achieve a 50% emissions reduction by 2030 for existing local government buildings and net-zero emissions by 2050 (provided the provincial electricity grid is also net-zero emissions),

WHEREAS the draft National Model Building Code proposes energy performance tiers for new buildings and a pathway to requiring net zero ready construction in new buildings, allowing the building industry, skilled trades, and suppliers to adapt on a predictable and reasonable timeline while encouraging innovation;

WHEREAS the Ministry of Municipal Affairs and Housing is consulting on changes for the next edition of the Ontario Building Code (ERO #: 019-4974) that generally aligns with the draft National Model Building Code except it does not propose adopting energy performance tiers, it does not propose timelines for increasing minimum energy performance standards step-by-step to the highest energy performance tier, and, according to Efficiency Canada and The Atmospheric Fund, it proposes adopting minimum energy performance standards that do not materially improve on the requirements in the current Ontario Building code;

WHEREAS buildings with better energy performance provide owners and occupants with lower energy bills, improved building comfort, and resilience from power disruptions that are expected to be more common in a changing climate, tackling both inequality and energy poverty;

WHEREAS municipalities are already leading the way in adopting or developing energy performance tiers as part of Green Development Standards, including Toronto and Whitby with adopted standards and Ottawa, Pickering, and others with standards in development;

WHEREAS the City of Waterloo is finalizing Green Development Standards for its west side employment lands and actively pursuing Green Development Standards in partnership with the Region of Waterloo, the Cities of Kitchener and Cambridge, and all local electricity and gas utilities through WR Community Energy;

WHEREAS while expensive retrofits of the current building stock to achieve future net zero requirements could be aligned with end-of-life replacement cycles to be more cost-efficient, new buildings that are not constructed to be net zero ready will require substantial retrofits before end-of-life replacement cycles at significantly more cost, making it more cost-efficient to build it right the first time.

THEREFORE BE IT RESOLVED THAT Council request the Province of Ontario to include energy performance tiers and timelines for increasing minimum energy performance standards step-by-step to the highest energy performance tier in the next edition of the Ontario Building Code, consistent with the intent of the draft National Model Building Code and the necessity of bold and immediate provincial action on climate change;

THAT Council request the Province of Ontario to adopt a more ambitious energy performance tier of the draft National Model Building Code as the minimum requirement for the next edition of the Ontario Building Code than those currently proposed;

THAT Council request the Province of Ontario provide authority to municipalities to adopt a specific higher energy performance tier than the Ontario Building Code, which would provide more consistency for developers and homebuilders than the emerging patchwork of municipal Green Development Standards;

THAT Council request the Province of Ontario to facilitate capacity, education and training in the implementation of the National Model Building Code for municipal planning and building inspection staff, developers, and homebuilders to help build capacity; and

THAT this resolution be provided to the Minister of Municipal Affairs and Housing, to area MPPs, and to all Ontario Municipalities.

Please accept this letter for information purposes only.

If you have any questions or require additional information, please contact me.

Sincerely,

Julie Scott

Resolution Number 124-22

Title: Info Item H.5.f - City of Waterloo Resolution re: Ontario Must Build it Right the First Time

Date: Tuesday, April 19, 2022

Moved by Councillor Maydan

Seconded by Councillor Ferguson

THAT Council support the City of Waterloo's resolution,

WHEREAS the Province of Ontario adopted greenhouse gas reduction targets of 30% by 2030, and emissions from buildings represented 22% of the province's 2017 emissions,

WHEREAS the draft National Model Building Code proposes energy performance tiers for new buildings and a pathway to requiring net zero ready construction in new buildings, allowing the building industry, skilled trades, and suppliers to adapt on a predictable and reasonable timeline while encouraging innovation;

WHEREAS the Ministry of Municipal Affairs and Housing is consulting on changes for the next edition of the Ontario Building Code (ERO #: 019-4974) that generally aligns with the draft National Model Building Code except it does not propose adopting energy performance tiers, it does not propose timelines for increasing minimum energy performance standards step-by-step to the highest energy performance tier, and, according to Efficiency Canada and The Atmospheric Fund, it proposes adopting minimum energy performance standards that do not materially improve on the requirements in the current Ontario Building code;

WHEREAS buildings with better energy performance provide owners and occupants with lower energy bills, improved building comfort, and resilience from power disruptions that are expected to be more common in a changing climate, tackling both inequality and energy poverty;

WHEREAS municipalities are already leading the way in adopting or developing energy performance tiers as part of Green Development Standards, including Toronto and Whitby with adopted standards and Ottawa, Pickering, and others with standards in development;

WHEREAS while expensive retrofits of the current building stock to achieve future net zero requirements could be aligned with end-of-life replacement cycles to be more cost-efficient, new buildings that are not constructed to be net zero ready will require substantial retrofits before end-of-life replacement cycles at significantly more cost, making it more cost-efficient to build it right the first time.

THEREFORE BE IT RESOLVED THAT Council request the Province of Ontario to include energy performance tiers and timelines for increasing minimum energy performance standards step-by-step to the highest energy performance tier in the next edition of the Ontario Building Code, consistent with the intent of the draft National Model Building Code and the necessity of bold and immediate provincial

action on climate change;

THAT Council request the Province of Ontario to adopt a more ambitious energy performance tier of the draft National Model Building Code as the minimum requirement for the next edition of the Ontario Building Code than those currently proposed;

THAT Council request the Province of Ontario provide authority to municipalities to adopt a specific higher energy performance tier than the Ontario Building Code, which would provide more consistency for developers and homebuilders than the emerging patchwork of municipal Green Development Standards;

THAT Council request the Province of Ontario to facilitate capacity, education and training in the implementation of the National Model Building Code for municipal planning and building inspection staff, developers, and homebuilders to help build capacity; and

THAT this resolution be provided to the Minister of Municipal Affairs and Housing, to area MPPs, and to all Ontario Municipalities.

CARRIED

I, Casey Munro, Deputy Clerk for the Corporation of the Municipality of Mississippi Mills, do hereby certify that the above is a true copy of a resolution enacted by Council.

Dear Hon. Ross Romano,

Re: Funeral, Burial and Cremation Services Act, 2002 and Ontario Regulation 30/11

This is to confirm that at the April 25, 2022 Council Meeting the following resolution was adopted with respect to the above noted matter:

1. That, Recommendation Report REC-03-2022, "Funeral, Burial and Cremation Services Act, 2002 and Ontario Regulation 30/11", dated April 19, 2022 be received for information; AND
2. That, the Council of the Township of West Lincoln hereby supports Prince Edward County's call for Government action concerning the current legislation and regulations surrounding municipal requirements to take over and maintain abandoned operating cemeteries; AND
3. That, a copy of this resolution be sent to the Minister of Government & Consumer Services, ROMA, and all Ontario municipalities.

If you have any questions or concerns regarding the above, do not hesitate to contact the undersigned.

Sincerely,

Joanne Scime, Clerk

TOWN OF SOUTH BRUCE PENINSULA

April 21, 2022

Prime Minister Justin Trudeau
80 Wellington Street
Ottawa, ON K1A 0A2

Dear Prime Minister Trudeau:

Re: New Home Tax Rebate Program

At the regular Council meeting held on April 19, 2022, the Council for the Corporation of the Town of South Bruce Peninsula discussed the New Home Tax Rebate Program. Our Council is focused on increasing the instances where both attainable and affordable housing are available to more residents of not only South Bruce Peninsula, but all across Canada. Council is pleased that the New Home Tax Rebate Program exists, and they applaud the government's commitment to assisting new home buyers.

Council, in their review of the program, respectfully requests that the Federal Government reconsiders their portion of the program. Council is encouraged by the Province of Ontario's program and would like to see the Federal Government either mirror the rebate program implemented by the Province of Ontario, or alternatively, increase the purchasing threshold to an amount which is greater than the current \$450,000 ceiling. In today's housing market, the instances of new houses being purchased for anything under \$450,000 is extremely rare, making the receipt of Federal rebate money not possible for most new home buyers.

Council adopted resolution R-144-2022 which is attached to this correspondence. We look forward to your consideration of this important issue and receiving a response with regard to same.

Should you have any questions, please do not hesitate to contact our office.

Yours very truly,

Janice Jackson

Excerpt from Council Meeting Minutes – April 19, 2022

28. Notice of Motion – Mayor Jackson, New Home Tax Rebate Program

Discussion included the purchasing of homes and the government programs.

R-144-2022

It was **Moved** by J. Jackson, **Seconded** by K. Durst and **Carried**

Whereas attainable housing has been a concern for residents across Canada;

And whereas attainable housing is a priority for all levels of government;

And whereas the Government of Canada and the Province of Ontario have implemented HST and GST rebate programs for those purchasing newly constructed and majorly renovated homes;

And whereas the Province of Ontario rebate program applies to the first \$400,000 of the purchase price of the new home and land, as the case may be, with a maximum rebate of \$24,000;

And whereas the Government of Canada rebate program applies only to new home and land purchases, as the case may be, under \$450,000, with an incremental decrease in rebate as the purchase price reaches \$450,000 and the maximum rebate being \$6,000;

And whereas the cost of new home construction has risen exponentially such that the majority of Canadians cannot afford to purchase a newly constructed home;

And whereas the Province of Ontario rebate program goes a long way toward assisting Ontarians purchase newly constructed homes.

Now therefore be it resolved that the Corporation of the Town of South Bruce Peninsula requests that the Government of Canada reviews its rebate program and considers implementing their rebate program in the same manner as that of Ontario meaning that there is no incremental decrease applied to the rebate and instead a maximum rebate is established for new home purchases under \$450,000;

And that alternatively, if the Government of Canada does not see fit to mirror the rebate program of the Province of Ontario, that the Government of Canada increases its new home purchasing threshold to an amount significantly higher than \$450,000 which is reflective of today's housing market;

And further that Council's position on this matter is circulated to Prime Minister Justin Trudeau, Premier Doug Ford, MP Alex Ruff, MPP Bill Walker and all municipalities in Ontario.

Dear Hon. Omar Alghabra,

RE: Notice of Motion – Floating Accommodations

On behalf of the Council of the Corporation of the Township of Lake of Bays, please be advised that the above-noted motion was presented at the last regularly scheduled Council meeting on April 12, 2022 and the following resolution was passed.

“Resolution #8(a)/04/12/22

WHEREAS floating accommodations have become a growing concern in that they will affect the environment, character, tranquillity and the overall enjoyment of Lake of Bays and regulating these floating accommodations is a top priority for the Township of Lake of Bays;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Lake of Bays hereby requests that Transport Canada amend the Canada Shipping Act 2001 by adding the following to the Act:

- All vessel greywater be discharged into a holding tank and disposed of as per Provincial regulations for new vessels; and
- All floating accommodations are required to conform to all Provincial and municipal regulations and by-laws.

...2

Page 2

AND FURTHER THAT the Council of the Corporation of the Township of Lake of Bays hereby requests that Northern Development, Mines, Natural Resources and Forestry (NDMNRF) amend Ontario Regulation 161/17 to include the following:

- **Post signs to restrict floating accommodation/camping on the water in southern Ontario (Muskoka south) and that a permit from the NDMNRF is required and a permit will not be granted without the consent of the local municipality;**
- **Camping is reduced from 21 days to 7 days;**
- **Not permit any camping on the water within 300m of a developed lot or within a narrow water body of 150m; and**
- **Should a municipality have more restrictive by-laws related to camping, these by-laws would apply.**

AND FURTHER, THAT Council hereby directs the Clerk to forward this resolution to the Minister of Transport Canada, the Premier of Ontario, Scott Aitchison, MP, Norm Miller, MPP, Minister of Northern Development, Mines, Natural Resources and Forestry (NDMNRF), Association of Municipalities of Ontario and all municipalities in Ontario.

Carried.”

In accordance with Council's direction, I am forwarding you a copy of the resolution for your reference.

Please do not hesitate to contact me should you have any questions or require clarification in this regard.

Sincerely,

Carrie Sykes, *Dipl. M.A., CMO, AOMC*,

Re: City of Thorold Resolution – Russian Sanctions

At its meeting held on May 3rd, 2022, Thorold City Council adopted the following resolution respecting Russian Sanctions:

WHEREAS the country of Ukraine has experienced a premeditated and unprovoked invasion by Russia;

WHEREAS silence is complicity;

WHEREAS Canada imports hundreds of millions of dollars' worth of goods from Russia each year; and

WHEREAS negative financial impacts upon a country can be used as a means to deter further conflict.

NOW THEREFORE BE IT RESOLVED:

1. That the Correspondence from the Town of Gravenhurst regarding sanctions on Russia be received for information;
2. That the City of Thorold unequivocally denounces Russia's unjustifiable war against Ukraine;
3. That the City of Thorold supports the sanctions which the Federal government of Canada has thus far imposed on Russia;
4. That effective immediately and until a time when the sovereignty of Ukraine is once again unchallenged, the City of Thorold will:
 1. Not purchase any products (i.e. plywood, fertilizer, steel, furniture or machinery) which can be easily traced to have originated from Russia; and
 2. Insist that any future contracts for services for the City of Thorold abide by these same limitations within our municipality;

5. That upon confirmation that the Belarusian military is engaged within Ukraine that the City of Thorold apply these limitations upon goods from that country as well; and
6. That this decision of Thorold City Council be forwarded to all other municipalities within Ontario requesting they enact similar measures so that as a united front we can make a noticeable difference.

Yours truly,

April 22, 2022

Dear Heads of Council:

As part of the province's commitment to review and update regulations under the *Provincial Animal Welfare Services Act, 2019* (PAWS Act) to keep animals safe, Ontario has been reviewing the existing standards of care for dogs that live outdoors under the PAWS Act.

On January 21, 2022, the Ministry of the Solicitor General posted a consultation summary of the proposed updated standards on the Ontario Regulatory Registry. The posting was open for public comment until March 7, 2022.

I am happy to notify you that the updated standards of care for outdoor dogs were filed as an amendment to Ontario Regulation 444/19 (Standards of Care and Administrative Requirements) on April 19, 2022. The amending regulation can be read by visiting [Ontario e-Laws](#). The updates will also appear on the [Ontario e-Laws page for Ontario Regulation 444/19](#) shortly.

The updated standards will come into force on **July 1, 2022**.

The updated standards are based on stakeholder and public feedback, jurisdictional reviews, academic literature and other published information as well as expert technical advice from veterinarian care, animal sheltering, industry, animal advocacy, enforcement and subject matter experts.

The updated standards replace the previous standards of care for dogs that live outdoors under the PAWS Act and create more comprehensive requirements related to:

- **General care** – including access to shade, food and water, grooming and nail care, and health and welfare maintenance.
- **Outdoor dog shelter** – including when an outdoor dog shelter is required (with exceptions for livestock guardian dogs and dogs that have access to a structure housing livestock), as well as design features and size-related specifications for an outdoor dog shelter.
- **Use of tethering** – including when dogs cannot be tethered, the safe usage of tethers, minimum space requirements when a dog is tethered, and maximum time a dog can spend on a tether (with limited exceptions).
- **Use of housing pens** – including the use of housing pens, minimum housing pen size and restrictions on outdoor dogs that can be penned together (with limited exceptions).

- **Tethering and housing pen containment area** – including adequate cleaning and sanitation, as well as features to support the physical comfort and welfare of a dog while they are contained outdoors.

Please refer to the attached fact sheet as well as the Frequently Asked Questions (FAQs) for more information. We welcome you to share the link to the regulation, fact sheet and FAQs with others who may be interested in learning more about the updates.

Please note, the updated standards will not impose any new requirements on municipal by-law enforcement departments. Animal Welfare Services, a branch within the ministry, is the primary body responsible for the enforcement of the PAWS Act and its regulations.

In the event of a conflict between a municipal by-law and the updated standards, section 67 of the PAWS Act continues to apply. Section 67 of the PAWS Act specifies that if there is a conflict between a provision of the PAWS Act or its regulations and a municipal by-law related to the welfare of animals or the prevention of cruelty to animals, the provision that provides the greater protection to animals prevails.

As a next step, the ministry will develop a guidance document that will help impacted owners and custodians understand the updated standards of care and set out additional recommended best practices to assist in meeting the new requirements.

We remain committed to ensuring that appropriate and effective measures are in place to provide animals with the protections they deserve. These updated standards of care will help ensure the welfare, health and safety of outdoor dogs in Ontario.

Sincerely,

Sylvia Jones
Solicitor General

Enclosures

Shade, Shelter and Protection from the Elements:

Sufficient protection from the elements to prevent heat or cold-related distress, and **shade** as required by the weather, including to protect from direct sunlight

A dog shelter, available at all times, that:

- Is waterproof and provides protection from the elements
- Is structurally sound and does not cause injury
- Has an insulated roof, a level, elevated and dry floor, and is ventilated
- Has a doorway free from obstructions
- Has bedding at least 3 inches thick, changed as needed to stay clean, dry, comfortable and unsoiled

Size of the shelter must allow all dogs using it to turn around, lie down with their legs extended and stand with their heads held at normal height

Livestock guardian dogs and dogs with access to a structurally sound building used to house livestock do not require a dog shelter

A dog "kept outdoors" is a dog that is outdoors for more than 60 minutes without its owner or custodian present

Food and Water:

Food that meets daily caloric requirements, is fit for consumption, not spoiled and does not contain dirt, feces, urine or toxic substances

Water at all times that is not frozen, does not contain dirt, feces, urine or toxic substances, and is replaced at least once every 24 hours

Food and water containers must be constructed to avoid injury and difficulty accessing food and water

Health and Grooming:

Daily health and welfare checks

Isolation from other healthy dogs if the dog is at high risk of or suffering from a contagious disease (with exceptions)

Dogs must not be kept outdoors if they have an injury or illness that affects their ability to regulate temperature or restricts mobility (with exceptions)

Grooming, as needed, of nails and to avoid matting of the dog's coat or accumulation of ice or mud on its coat or under its paws

Fact Sheet: Standards of Care for Dogs Kept Outdoors under the PAWS Act – Summary of Requirements (As of July 1, 2022)

Tethers:

- Tethers** must:
- Permit 3 metres of horizontal movement
 - Allow the dog to move about safely
 - Be a size, type and weight that won't cause discomfort or injury
 - Have a swivel at both ends
 - Be in good condition and well-attached to prevent escape

Collars and harnesses used with a tether must be of a size, type, design and fit that won't cause discomfort or injury

- When tethering a dog kept outdoors**, an owner/custodian must not:
- ⊗ Use a **choke, pinch, prong, slip, head halter or martingale collar**
 - ⊗ Tether **dogs under 6 months or that are in heat, whelping or nursing**
 - ⊗ **Cause undue distress**, including because of the age, health or reproductive status of the dog or objects or hazards they can reach

Housing Pens:

Use of housing pens must not **cause undue distress** and housing pens must be constructed to prevent escape and provide protection from predators.

Housing pen minimum size must be scaled to the height of the dog (measured at shoulder):

- **1.5m²** for each additional dog housed in the same pen (with exceptions)

Height (cm)	Area (m ²)
70 or greater	15
>= 40 and < 70	10
>= 20 and < 40	6
less than 20	4

Aggressive dogs must not be housed together, and **dogs in heat or coming into heat** must not be housed with male dogs (with exceptions)

Housing Pen and Tether Area:

Must provide enough space for **natural behaviours** and **distinct areas** for feeding and drinking and defecating and urinating

Dog must not be forced to stand, sit or lie in feces, urine, mud or water; area must be cleaned as needed to prevent the accumulation of waste; **keep sanitary and minimize parasites**

Additional Standards for Dogs Tethered Outdoors:

Dogs tethered outdoors for 23 hours in a 24-hour period, whether the 23 hours are consecutive or not, must be taken off the tether for at least 60 continuous minutes to allow for exercise and enrichment (with exceptions)

Note: the definition of "kept outdoors" does not apply to this requirement

The full text of the regulation is available at the [Ontario e-Laws website](https://www.ontario.ca/laws). This document is intended to provide a summary only and is not legal advice. If there is any conflict between this document and the regulation, the regulation is the final authority. Produced April 2022.
