Addendum No. 1 – Request for Proposal No. 2025-12 OSIM Inspection of Municipal Bridges and Culverts

This addendum provides the following updates and clarifications regarding RFP No. 2025-12:

1. The original Request for Proposal was issued for OSIM inspections to be completed in the year 2025. Proponents are now encouraged to consider submitting a proposal for a multi-year agreement, covering inspection years 2025, 2027, and 2029, as an optional extension to the base contract. Please note that the Municipality reserves the right to cancel the optional extension for 2027 and/or 2029 at its sole discretion following the completion of the 2025 inspections.
2. The closing date for the RFP has been extended by two (2) weeks. The new closing date is Thursday, June 19, 2025, at 2:00 p.m. (local time).

Please refer to the RFP document for all other terms and conditions.
