Request for Quotation

1. The Township of McKellar is requesting quotations to establish an agreement with a qualified contractor who shall provide all skilled labour, materials, supplies, equipment, tools and supervision to execute and complete Line Painting Services as specified herein. All work is to be carried out within the Township of McKellar. Please email your quotation to roads@mckellar.ca
2. This shall commence in summer 2025 and is to be completed 40 days after the commencement date.
3. Quotations will be considered and awarded based on “*best value*” and “*most advantageous*” to the Owner.
4. The Owner will not be bound to accept the lowest Quotation and reserves the right to accept or reject in whole or in part, and any or all Quotations.
5. All quotes are to be marked “**Line Painting Proposal**” and received by **1:00 pm local time on or before July 8, 2025, to:**

Township of McKellar
Box 69, 701 Highway 124
McKellar, ON P0G 1C0

Attention: Tom Stoneman, Public Works Superintendent

SCOPE OF WORK

1. The work consists of repainting all traffic line markings within the Township of McKellar.
2. Quotations shall include a cost for completing all the outlined work in a lump sum price that includes all costs for providing this contracted service.
3. All extra work approved by the Public Works Superintendent will be charged hourly. Quotations shall provide hourly costs for anticipated extra work.

QUALIFICATIONS OF BIDDERS

1. Prospective Contractors must be licensed and authorized to do business in the Province of Ontario before submitting a quotation and commencing work.
2. The Bidder must have the equipment, tools, personnel and financial resources reasonably required to perform the scope of work.
3. The Bidder must be able to supply proof of WSIB Compliance and Insurance.

SITE ASSESSMENT

1. Prospective Bidders shall be solely responsible for visiting the Site to familiarize themselves with the scope and extent of the Work before submitting a Quotation. The prospective bidder shall be solely responsible for obtaining all information required to prepare the Quotation and execute and complete the Work.

SCHEDULE OF LINE PAINTING

The work consists of single and intermittent yellow center dividing lines. Work also includes white fog or bike lane lines; there are a few stop lines, parking, no parking and assorted items to be painted. Measurements are as follows:

Painted Lines	Measurements	Price/metre	Total Price
Single Yellow	6100 m		
Intermittent Single Yellow (Hills/Corners)	3000 m		
Single White Fog Line	3600 m		
		Each	Total Price
Stop Blocks	16		
No Parking Stencils	3		
Parking Spots (Street)	14		
Parking Spot (Community Hall)	45		
Wheelchair Accessible (Community Hall)	3		

There may be additional work added or removed, this to be communicated by the Public Works Superintendent.

TRAFFIC LINE MARKING PAINT AND MATERIALS

1. The Traffic Line Marking Paint shall conform to the following specifications:
 - a. General Paint 78 Line Marking Paint 9 (or approved alternate)
 - b. Air Spray or airless spray application
 - c. One coat application
 - d. Glass beading
 - e. Theoretical spreading rate: 40-42 Litre/km t 100mm stripe width
 - f. Maximum thinning: 10% with 05-518 Aromatic Thinner Type 2
 - g. Colours 78-161 Yellow and 78-915 White
2. Traffic line marking paint must be applied strictly per the manufacturer's written application instructions and as per the Traffic Control Manual for Work on Roadways, the latest edition.
3. All surfaces are to be inspected to ensure the new application is comparable to the existing.
4. Any loose surface material must be removed to ensure the positive bonding of new paint. All surfaces must be clean and dry upon application.
5. Do not apply in temperatures less than 4 degrees.
6. Adjacent surfaces of public and private property are to be protected from damage caused by cleaning and/or overspray of materials.

TRAFFIC CONTROL AND PROTECTION

1. Traffic control shall be defined in the Traffic Control Manual for Work on Roadway.
2. The contractor should provide sufficient personnel, barriers, and traffic control devices to protect the public during work. Temporary cones, barricades, and/or flag people must be provided to preserve line markings during the required drying period (minimum 30 minutes).
3. Painting may be undertaken in the evenings or at night, provided the work is completed with sufficient light to ensure a neat and uniform application. Overspray will not be accepted.

FINAL CLEAN-UP

1. Upon completion of the work, clean up all materials and equipment from this work and remove them from the site. No material to be disposed of in the Township's Transfer Station.

Please forward all questions to:

Thomas Stoneman, Public Works Superintendent

The Township of McKellar reserves the right to accept or reject all quotes and waive irregularities and informalities at its discretion. The Township reserves the right to accept a quote other than that with the highest evaluated score without stating reasons. By submitting a quote, the proponent waives any right to contest, in any proceedings or action, the right of the Township to accept or reject any proposal in its sole discretion. Without limiting the generality of the foregoing, the Township may consider any other factor besides capability to perform work, in its sole discretion.

This request for Quotation does not commit the Township to awarding a contract, paying any costs incurred in preparing a proposal, or attending an interview meeting with Township staff.
