Dated this 27th day of August, 2026

IN THE MATTER OF MINOR VARIANCE APPLICATION NO. A/04/2026

Date of Hearing:	September 15, 2026
Owner(s):	Jeff Rowley
Agent(s):	Jeremiah Livingston
Property Location:	24 Riverview Drive (PLAN 284 LOT 3)

PLEASE NOTE: If you wish to attend the Public Hearing, please contact the Township of McKellar Municipal Office at (705) 389-2842 x4.

PLEASE NOTE: The Township of McKellar passed its new Comprehensive Zoning By-law 2026-42 at the Regular Meeting of Council held on August 18, 2026. The Township has also submitted Official Plan Amendment No. 9 to the Ministry of Municipal Affairs and Housing for approval.

Zoning By-law 2026-42 will not be fully in force and effect until the Official Plan has been approved by the Ministry. At this time, both Zoning By-law 95-12 and Zoning By-law 2026-42 are in force and effect. **Where the provisions of the two By-laws differ, the more restrictive provision applies.**

Phone: (705) 389-2842

THE PURPOSE AND EFFECT: The applicant is proposing to construct an accessory building (garage, private) that would i) be larger than the dwelling on the subject property, ii) exceed the permitted height for an accessory building, and iii) result in accessory buildings and structures occupying more than 5% of the lot area.

Both Zoning By-law 95-12 and Zoning By-law 2026-42 require accessory buildings and structures to remain ancillary and incidental to the principal use of the property. The proposed garage would be larger than the existing single-family dwelling and therefore requires relief from this provision.

Zoning By-law 95-12 is currently more restrictive than Zoning By-law 2026-42 with respect to the permitted height of an accessory building. The applicant is therefore seeking 1.245 metre of relief to permit the proposed accessory building to have a height of 6.0 metres, where a maximum height of 5.0 metres is permitted under By-law 95-12.

Section 3.03(b) of Zoning By-law 2026-42 provides that accessory buildings and structures shall not occupy more than 5% of the lot area. The proposed garage would result in accessory buildings and structures occupying 5.002939% of the lot area, and the applicant is therefore seeking 0.002939% of relief from this provision.

All other applicable provisions of Zoning By-law 95-12, as amended and Zoning By-law 2026-42 must be complied with, including whichever provisions are currently in force and effect and applicable to the property.

Please refer to the next page of this Notice for a key map showing the land to which the proposed Minor Variance would apply.

DATED at the Township of McKellar Municipal Office this 27th day of August, 2026.
