Fax: (705) 389-1244

October 22, 2026

PUBLIC NOTICE

Temporary Suspension of Tire Acceptance **at the McKellar Transfer Station**

The Township of McKellar advises ratepayers that **the acceptance of tires at the McKellar Transfer Station will be temporarily suspended effective November 16, 2026.**

Residents may continue to bring tires to the Transfer Station until Sunday, November 15, 2026, at 4:00 p.m. After this time, tires will no longer be accepted until further notice.

This temporary suspension is necessary because the Township's tire hauler is unavailable to provide collection services for an extended period. The Transfer Station has reached capacity for tire storage, with the last collection having taken place in September 2024. At this time, the Township cannot confirm when tire acceptance will resume.

During the suspension, residents are encouraged to visit [Ontario Recycles](https://www.ontariorecycles.ca) to explore available tire recycling options. Residents can speak with tire retailers about returning used tires when purchasing replacement tires. Please contact other Municipal disposal facilities in advance, as acceptance policies and eligibility requirements vary, and proof of residency status may be required.

The Township apologizes for any inconvenience this temporary suspension may cause and appreciates ratepayer's patience and cooperation.

Please note that the McKellar Transfer Station is a transfer facility, meaning all materials received must ultimately be transported off-site for processing or disposal. The Township must therefore manage on-site storage capacity to ensure the facility can continue to operate safely and effectively.

For questions or concerns, please contact clerk@mckellar.ca or (705) 389-2842 x4.
